MISCELLANEOUS INCOMING LETTER

Sir:

Applicants wish to correct an error on the record. As mentioned in the Supplemental Information Disclosure Statement Letter filed October 26, 2007, inventor Wubbolts was employed by FeyeCon rather than Unilever, and an assignment from FeyeCon to Unilever B.V. was enclosed at that time. That assignment document contained a mistake in that it indicated that FeyeCon is a subsidiary of Unilever. Applicants wish to correct the record to indicate that FeyeCon was independent of Unilever and not a Unilever subsidiary.

Respectfully submitted,

/Gerard J. McGowan, Jr./
